Further details for our FSC® CoC certified customers:

For the EUTR due diligence and risk assessment, we apply third party certified FSC (Forest Stewardship Council) Chain-of-Custody and Controlled Wood systems. As we apply the FSC credit method, we can offer both FSC certified and FSC Controlled Wood products to our customers. Availability of certified products is however limited and offered upon special agreements only. Our valid certificate can be downloaded from <https://www.storaenso.com/en/download-centre?d=1&t=1> or from FSC's official website.

Further details for our PEFC™ certified customers:

For the EUTR due diligence and risk assessment, we apply third party certified CFCC/PEFC™ (China Forest Certification Council/Programme of the Endorsement of Forest Certification Systems) Chain-of-Custody and Due Diligence Systems. We apply the PEFC volume credit method and can thus offer PEFC certified products to our customers. Availability of certified products is however limited and offered upon special agreements only. Our valid certificates can be downloaded from <https://www.storaenso.com/en/download-centre?d=1&t=1> or from PEFC's official website.
